

"One New Humanity" (Part 1) June 28, 2020

1. How has your race/ethnicity shaped your sense of identity and your relationships with others?
2. What is your reaction to the statement, "Black lives matter?"
3. Sarah Shin argues that we need to move beyond "colorblindness." What does she mean by this? Do you agree with her?
4. Ephesians 2:11-22 speaks of the cross being the great equalizer—all of us (regardless of our racial/ethnic background) are in need of God's mercy and grace. How should this truth impact our relationship with others, particularly those who come from a different ethnic background?
5. Spend a moment reflecting on the biases and prejudices that you made hold against people of a different ethnicity. Pray that God would enable you to see them through his eyes.
