

## **“Healing Our Families”**

April 11, 2021

1. In what ways have inherited some of the traits or mannerisms of your parents? What traits or qualities would you like (or dislike) to be passed down to your own children (if you have children)?
2. What parts of the story of Joseph and his brothers resonates with you? Did you experience any similar instances of favoritism, envy or brokenness in your own family of origin? How did it affect your family dynamics?
3. The sermon stated that *“true reconciliation and healing of a broken relationship requires the cooperation of both sides”*. In what ways have you experienced this to be true?
4. How does Jesus and the gospel provide hope for achieving true reconciliation within our own families? What role might the Holy Spirit play in this?
